Dear Ms. Madigan:

It's my pleasure to share with you the Belknap Neighborhood Association, through action of its board of directors, voted unanimously on April 13, 2011, to support the restoration and preservation of the historic Hogan's Fountain Pavilion in Cherokee Park and contribute \$250 towards the campaign to support this important Louisville landmark.

- The Tee Pee is a *community treasure*. Its presence in our community plays a dual role as both icon and connection point for the over half million visitors that frequent Cherokee Park annually.
- The Tee Pee is a *symbol of resilience*. Its survival as a beacon of hope following the 1974 tornado is well documented in the hearts and minds of the public.
- The Tee Pee is *worth saving*. Our community is a unique place – comprised of special people who believe in limitless possibilities. The Tee Pee is a built example of our community's identity and uniqueness. The Tee Pee doesn't exist anywhere else in the world – except in Louisville.

Belknap Neighborhood is the largest neighborhood in the Louisville Highlands. In 2010, we were recognized by Louisville Magazine as one of the most livable and lovable neighborhoods in the city.

We are happy to endorse the campaign to Save the Hogan's Fountain Pavilion and encourage all Louisville neighborhoods and residents to provide financial support for this important effort.

For the board,

Chris Padgett
President
Belknap Neighborhood Association
